Membership

What do LIONS do? LIONS are men and woman who VOLUNTEER their time to humanitarian causes in their local and world communities, By conducting services projects and raising funds, LIONS strive to help those in need, wherever need exists.

The LIONS motto is "WE SERVE"

In 1925, Helen Keller addressed the Lions at their annual International Convention, challenging them to become "knights of the blind in the crusade against darkness" Since that time, service to the blind and visually impaired has become one of the Association's most significant activities. That crusade has resulted in the establishment of " Sight First", a global sight prevention program.

In addition, LIONS participate in Service activities, emphasizing diabetes awareness, education and research: work with the physically handicapped and hearing impaired: environmental issues: community welfare: International understanding and youth.

The Lions International Foundation was founded in Chicago, Illinois in 1917. by a young lawyer named Melvin Jones.
